

EUR-Lex survey — Your views count!

We have launched a short survey to identify how we can further improve EUR-Lex.

We are exploring in more detail the document page and the functionalities of the results list.

We are therefore calling on all our users to take part in this survey!

Please spare a few minutes to help us better understand your needs so that we can make EUR-Lex better for everyone.

You can complete the survey in [English](#), [Français](#) or [Deutsch](#)

We are looking for volunteers!

Help us learn how you use EUR-Lex.

In the next few months we will meet some of you – our users – to observe how you work with EUR-Lex.

These observations will complement the results of our survey and will give us a better idea of how to enhance our features.

The sessions will be anonymous. We will either ask you to use the website as you normally do or will assign you a few tasks to carry out in EUR-Lex.

You may participate via your web browser (remote connection) or by going to a predetermined venue in Brussels or Leuven (if you are in the area).

If you wish to participate, please [send us your contact details](#).
